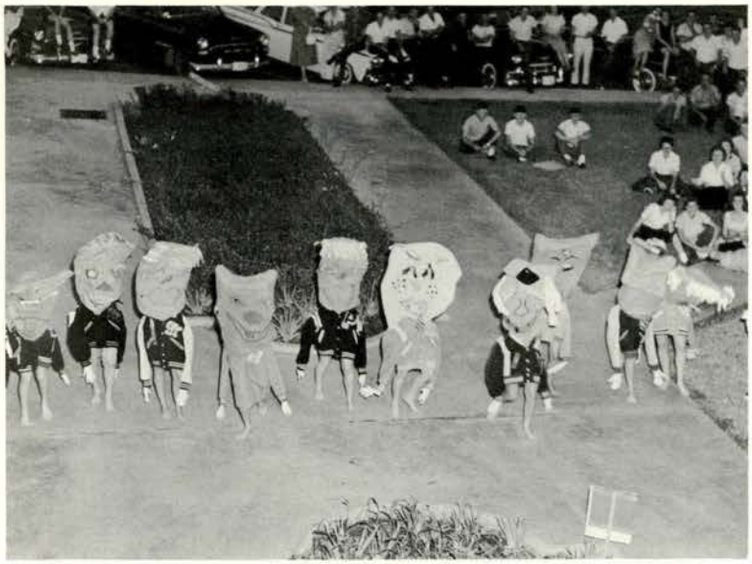
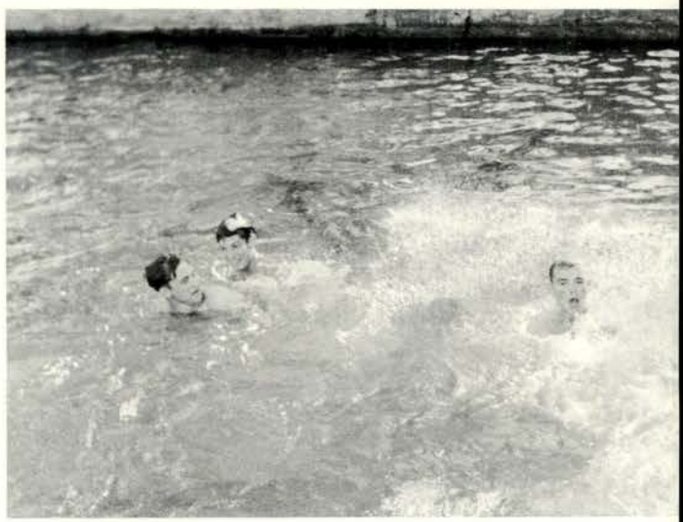
Time of Your Life



Skits such as this one promoted spirit in backing the Bobcats.



"All right, let us have our clothes back."

In registration one line leads to another.

"I read Dr. Zhivago, wrote two themes, and did all my math homework while waiting for lunch in that long line."

Begins

Dr. Flowers spoke at the Leadership Retreat.

This is the alert and wide-awake freshman class of 1960.

Registration can confuse upperclassmen as well as the freshmen.

The "Beats" held their meeting in the SUB.

Then it started raining but the brave soul was not daunted.

Those Brogdon girls and their wild pep rally skits.

No wonder the pumpkin is smiling. . .he's surrounded.

The Pi Chi calendar girls "rush" right along.

A new college craze in the making?

"No, Eddie, use the punch cups like everyone else."

"Don't look now, but I think we're being followed."

Tommy swings it at the Phi Delt western dance.

SWT sweater girls?

Miss Walton receives a warm welcome upon her return from a year in Europe.

"Rudy, don't push that girl into the river!"

Our new mascot, Bobbette, wonders what all this football business is about.

Lost in the Lair? It can only be done by freshmen!

Our new library becomes a popular place to study.

There is a more specialized type of studying that goes on in front of Sayers Hall.

Dr. James Taylor

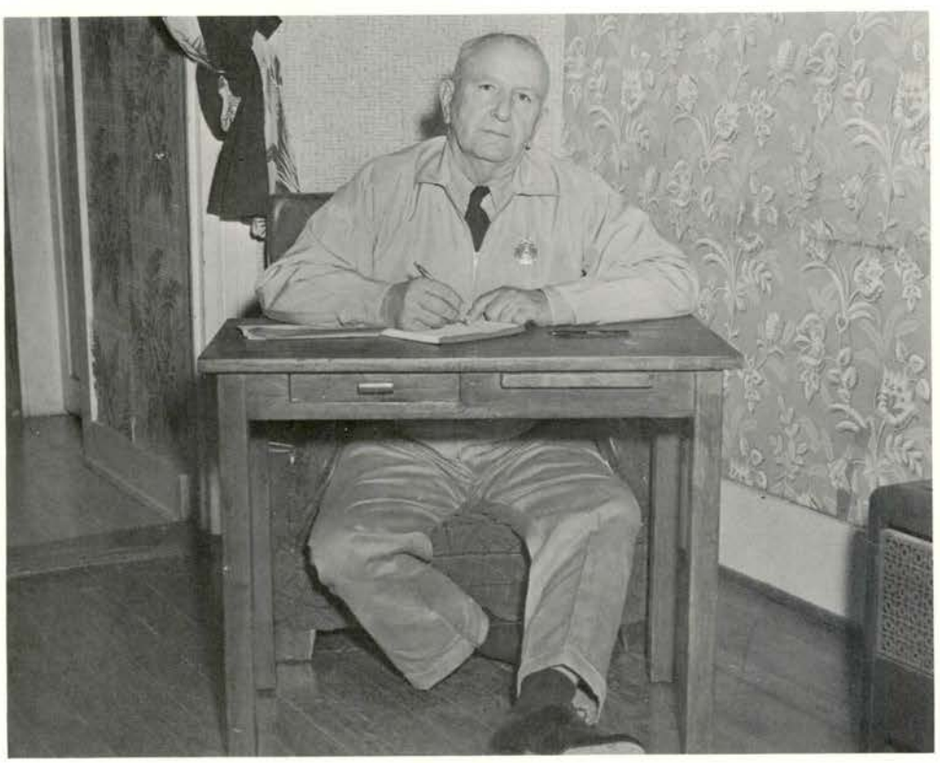
To Dr. James Taylor, the staff takes great pride in dedicating the 1960 PEDAGOG. Dr. Taylor, chairman of the social science department, not only fills the capacity of master teacher at Southwest Texas but also serves to guide and direct students in their search for knowledge. Through his interest in campus and world affairs, Dr. Taylor has stimulated and challenged the minds of Hillites to become more conscious of the changing scene. For his great contribution to us, we dedicate this book to Dr. Taylor.

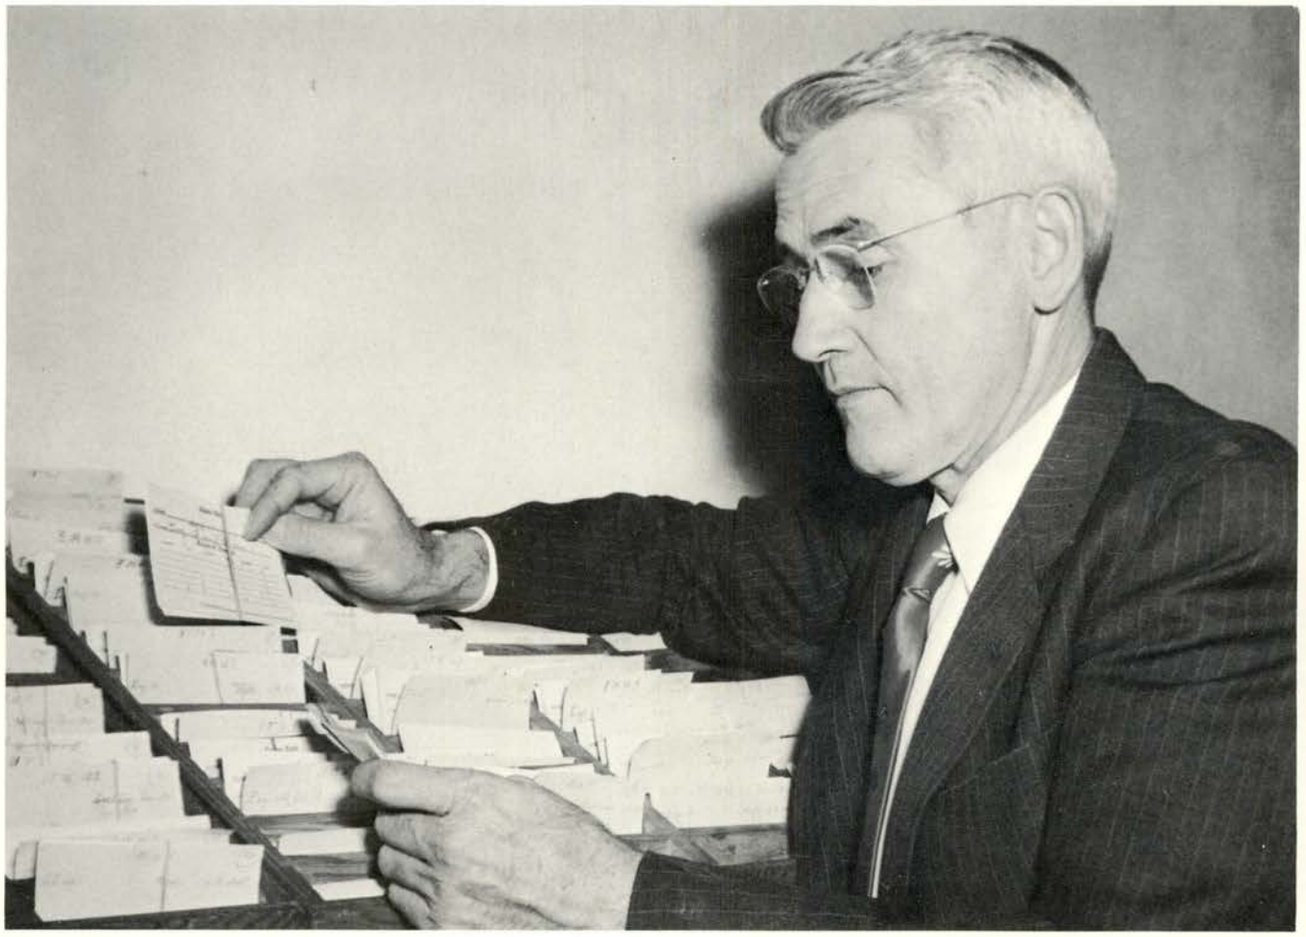
Sincerely,
The Staff

DEDICATION

ACKNOWLEDGEMENT

"Call Mr. Titsworth, the night watchman!" These words were heard when the Laurel Hall girls discovered there were "peeping Toms" on campus. Then one night two girls were frightened while walking to the dorm from the library, and again Mr. Titsworth came to the aid of our female students. He is a familiar sight on campus as he checks the buildings in the evenings and drives by the dorms making sure no one is parked on a red curb. In 1960, after many years of service, Mr. Titsworth will retire from his duties of watching over the Hill.





DR. J. LLOYD READ

IN MEMORIAM

Dr. J. Lloyd Read, one of Southwest Texas State's most beloved professors, died unexpectedly in a San Antonio hospital Aug. 4, 1959. He was 60 years old.

Thousands of his former students in French and Spanish will remember Dr. Read as a wonderful friend and an excellent teacher.

The Texas Legislature passed a resolution Aug. 6, two days after Dr. Read's death, which described the professor as "a most distinguished citizen and an esteemed Texan in the field of education who led an unselfish life of service."

Dr. Read was born Nov. 16, 1898, in Blum. After graduation from Memphis High School, he received the bachelor and master of arts degrees from Baylor University. He was awarded the PhD degree from Columbia University with a double major in French and Spanish.

Dr. Read was head of the Spanish and French department at Decatur Junior College in 1920-25. He was a graduate assistant at Baylor for a year before coming to SWTSC as head of the foreign languages department in 1926. Dr. Read served for a time as Registrar.

The college's new electronically equipped language laboratory was a dream of Dr. Read's which came true shortly after his death. It will stand as a lasting monument to his 39 years of teaching service and the 33 years he spent as friend and teacher on the SWTSC Hill.

SOUTHWEST TEXAS STATE COLLEGE
SAN MARCOS, TEXAS

OFFICE OF THE PRESIDENT

January 15, 1960

STUDENTS, FACULTY AND ADMINISTRATION:

Greetings:

When your 1960 Pedagogs are distributed in the spring, we will be nearing the completion of Southwest Texas State College's 57th year.

It has been a wonderful year, climaxing a decade of growth and advancement of the college in all phases--enrollment, faculty, physical plant and academic standards.

During the past year we have seen the completion of six major building additions--the three-building Industrial Arts Complex, the new west wing of the Library, a three-story addition to the Science Building and the enlarged Women's Gymnasium.

Last fall our student enrollment reached a new record high--2,433 students. Our faculty continues to increase in numbers and in academic strength.

To those of you who will graduate this year, or leave the college for other reasons, we wish you the best of luck in whatever pursuits you enter. Remember that you will always be a part of Southwest Texas State College, as Alumni and Ex-Students. A warm welcome will await you whenever you return to your Alma Mater. Best wishes to you all.

Sincerely yours,

J. G. Flowers
President

ALL-COLLEGE BEAUTY

Miss Norma Martin

An eighteen-year-old Southwest Texas State freshman, 5'6", black haired, poised, friendly, smiling—this is the girl who was chosen All-College Beauty. Striking black eyes, a low, soft voice, and a sincere interest in the group of people surrounding her, leave no doubt as to the identity of this San Antonio coed, Miss Norma Martin.

Norma is a girl of widely varied interests. Primary places in her life are held by her family, religion, scholastic work, sorority activities, many friends, and Southwest Texas. And to each of these she is the same: generous, observant, hard working. She is a girl whom we may be proud to call our "All-College Beauty."

CAMPUSOLOGY

Campus life . . . a whirl of movement . . . registration, hurrying to class, building a bonfire, wearing a beanie, anticipating homecoming, men's rush, meeting new friends, dancing, studying, pausing at Thanksgiving . . . it's autumn haze.

Fall

Joe Bell, Pi Chi president, greets a new group of rushees.

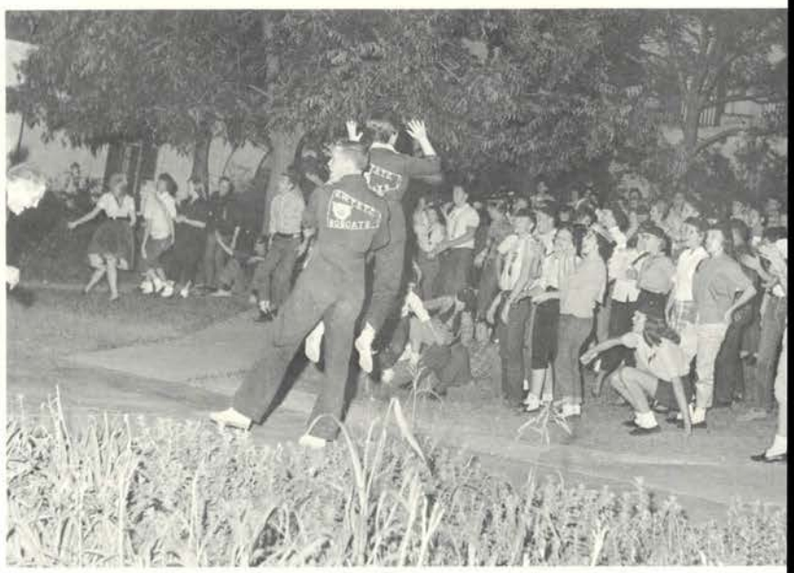
Mens' Rush

The word "rush" is echoed in the early days of the fall for men students at SWT. At this time the social machine begins to turn and a gigantic "party" program is launched. Who will get bids and which club to pledge? These are tense and exciting moments in the life of our fraternities. When pledging is finally over, the new and old members sigh with relief and settle down to routine club activities.

Dr. Pool, Alpha Psi sponsor, gives prospective new members a friendly handshake.

Then pledging begins and the pledges are now in the role of Thanksgiving turkeys.

The Press Club encourages new membership during the first week of school.



All freshmen enjoy boosting the Bobcats.

Beanies all week and signs on Thursday, Friday and Saturday.

The First Days Mean Getting Acquainted

So many new and strange faces. Before the year is over, they are no longer strange but very familiar. We have met people from all over the state. Suddenly, the old saying "small world" has more meaning, especially when you see a student from SWT away from campus.

Concentration as fingers fly on the ivory keys.

If you run out of courses to take, just see what the fella next to you is doing.

Homecoming

Homecoming week-end brings a special excitement to the campus. This is a time of the year in which the school favorites are presented, the freshmen hope to be rid of their beanies, and hours of work are ended as the last bit of decoration is put on the Quad and in the dorms. Wonderful dreams linger on from these few days as the beanies are put away, the last balloon is popped, and a bouquet of red roses receives honored position in the Gaillardians' memory.

The snake chain ended with a short pep rally in front of Laurel Hall.

Penny Sowell, 1959 sweetheart of Sayers Hall, cheers for the Bobcats.

Heavy rains did not keep a festive spirit away from Brogdon Hall.

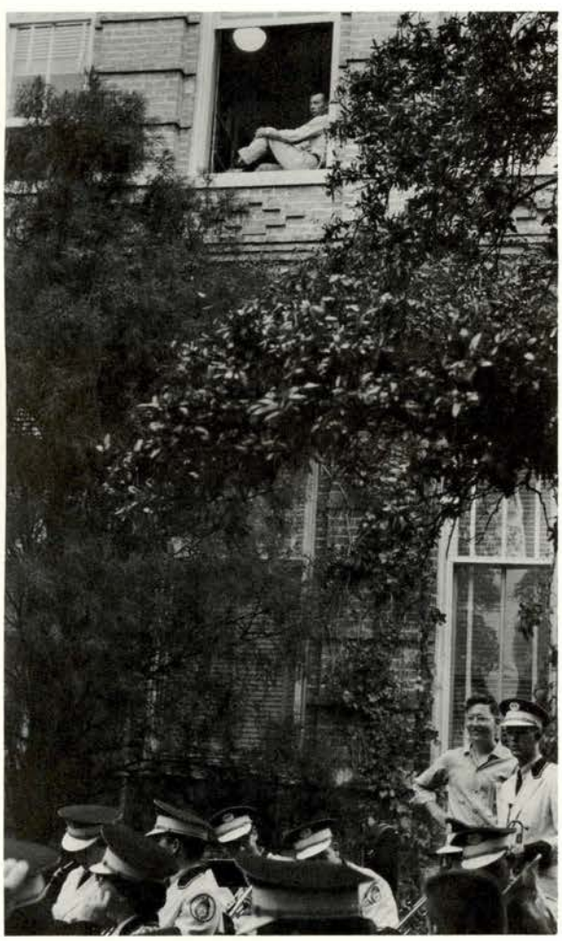
Homecoming '59

The Quad at Homecoming—meeting place of Exes and old friends.

Lovely Senate members persuade Jim Downs to buy a mum.

In a dreamy Mardi Gras setting, the Gaillardians enjoy "their" dance.

The Bobcats won 18-14 and the crowd went wild.



Harlan Woods watches Quad activities from a balcony position.

Retama Hall was gaily decorated for Homecoming.

Nancy Brown and Sonny Gregg in discussion at the Senate meeting.

Hot Issues On

In the fall of 1959, just before Homecoming, the student body rallied to support the football team. The cause of this movement was an effigy that was seen by students as they crossed the Quad one Tuesday morning. A special meeting of the Senate was called to discuss the incident. The freshman class began to have pep rallies every evening. The campus wondered what would happen and the answer came Saturday when the Bobcats were victorious in the Homecoming game.

Another issue included the "Lyndon Johnson for President" movement.

The passing of a tradition?

What a time to have a pep rally! 6:30 a.m.

The Bobcats prove themselves.

A Changing Campus

As the social science, English and language departments moved into the new wing of the Library, the meeting place of students shifted from the familiar "Quad" area to the front of the Library. This change was almost like losing an old friend but Homecoming again brought activity to the space enclosed by the SUB, Old Main, and the L.A. Building. New buildings seem to bring a rush of people and the excitement that comes with new surroundings. Moving into the modern I.A. Building was a special thrill for the Star Staff as they finally had an efficient printing shop on campus.

Let's see now. Where do all those little wires go?

The Library building . . . a new Quad in the making?

The linotype begins turning out material for the Star.

Girls in the I.A. Building? They must be taking humanities!

A Friday morning paper means work for the Star staff on Thursday night.

Sometimes We Work . . .

Betty and Jeff seemed to have found something else more interesting than their books.

A quiet afternoon at the BSU and reflective thinking over last year's Pedagog.

Two heads are better than one, especially together!

How many times have we concentrated on the bulletin board and menu in the cafeteria lobby?

Just an example of the lovely coeds who climb the circular staircase of Laurel Hall.

Sally Jo West signs out of the dormitory for a week-end away from campus.

Sometimes We Play

Cramming for a quiz. Our favorite pastime.

This must be a very interesting conversation!

Winter

Campus life . . . a whirl of movement . . . pre-Christmas activities, decorating, caroling . . . hoping it snows . . . participating in . . . basketball season, final exams, registration, girls' rush, the Military Ball . . . hesitating briefly to acknowledge . . . it's winter magic.

The magic of a play is thrilling to all age groups.

Sheila White, Don Minear, and Linda Spurrier, in the Childrens' Theater production.

Drama

A touch of seriousness and a flair for the light and gay. This was the mood of the Drama Department as they presented "Antigone" in the fall and "Six Who Pass While the Lentils Boil" at the Children's Theater in the spring.

Larry Woods and Diane Means read the lines of "Antigone."

Backstage activity is a mixture of fun and work.

Spellbound children lost in the fantasy of a fairy tale play.

Coach Jowers . . . concentration . . . command . . . no comment . . . cautious.

The Pi Chi poster expressed the feelings of the crowd at the Lamar Tech game.

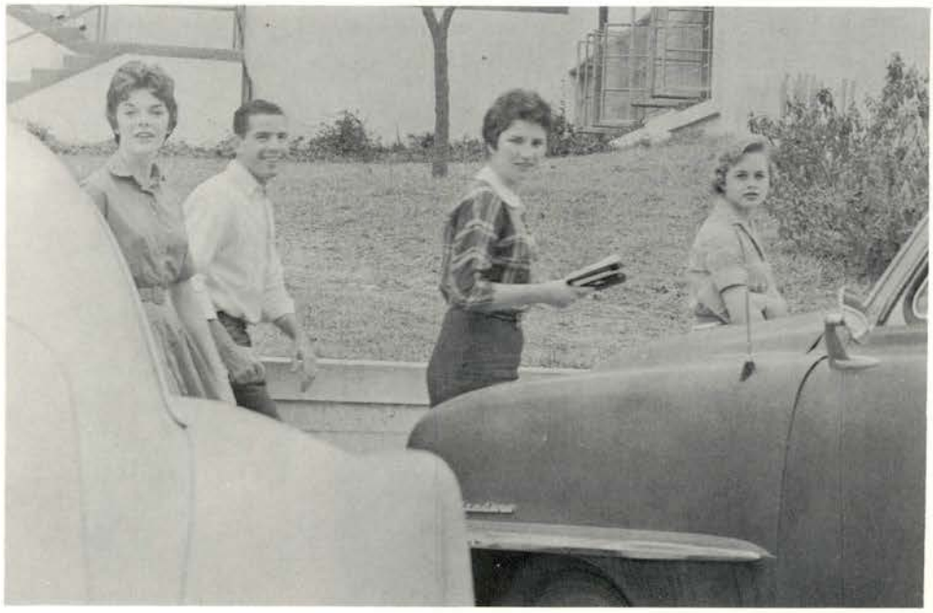
Basketball

No one asks if you are going to the game because at SWT a basketball event is rarely missed by the students or the faculty. Fans enjoy watching every maneuver the team makes and before the evening is over everyone is standing and cheering for the Lone Star Conference champions. There is a unity on campus and the slogan of this spirit is "going to Kansas City."

Bobcat boosters pack the gym.

Students In Motion

Always on the go . . . from dawn to midnight. There never seems to be enough hours for everything that needs to be done. Maybe on the week-end we'll catch up.



The first class is not too hard because many are still asleep.

Pause at noon for lunch and then off again to that one o'clock class.

In the afternoon there is always a project to work on.

At night . . . it is either a concert, basketball game, or meeting.

Campus Christmas

What is Christmas? At Southwest Texas it is many things. There is the spiritual meaning that we all think of and there is the holiday mood that envelops each of us. In every dorm a decorated tree, in the cafeteria a special dinner, over every door a sprig of mistletoe, the annual sing-song, in every heart the joy of giving and the warmth of brotherly love that fills the air.

After keeping the second place trophy for two years, the Kappa Taus won first place in the sing-song.

The Boar's head presentation is a high point in the Yuletide banquet activities.

Was Marsha Thompson surprised when the Theta's presented her with a gift? We think so!

George Burton was announced Theta Psi Guy of 1959 at the Christmas formal. The theme was "Rhapsody in Pink."

Pi Chis' won the second place award . . .

. . . and Thetas' captured the third place trophy at the sing-song.

Even the cafeteria enters the holiday season by preparing an excellent turkey dinner.

The final touch is added to one of the many trees put up on campus.

Delta Sigs' received a well deserved honorable mention at the sing-song.

The Continentals sounded off with a real swingin' beat.

Where's your guitar, Elvis?

Beauty nominees wait and wonder who the lucky girl will be.

The Frolics . . . Variety

Practice, practice, practice . . . then the night finally came and the freshmen talent was reviewed by the student body. Results: we have a singing, dancing, acting, and in general, a tremendous group of entertainers among the freshmen.

What train?

Beauty in review.

The seven most beautiful at SWT.

Barbara Chambers sings of "the girl who didn't need love."

Laughter, Beauty, Applause

The Pedagog had the annual beauty contest at the Frolics and oddly enough it was a freshman girl who won the title of all school beauty. That Tuesday proved to be a night to remember. Those who paced Evans Auditorium can easily recall The Brogdon Beatniks, "Mr. Sandman," The Traits, and The Continentals.

Just one of the cute chorus line members.

In the tradition of old Spain . . . a gypsy dance.

Beauty nominees are interviewed by one of judges, Mr. Tom Serur.

Service In Blue

Who knows their left foot from their right? The boys in ROTC learn quickly and some of the Angels catch on to this marching business. The Air Force detachment not only serves as a military organization but takes an active part in community activities. At Christmas they gathered toys and food for needy families and also helped with the United Fund Drive.

First stop in the United Fund campaign, Dr. Flowers' home.

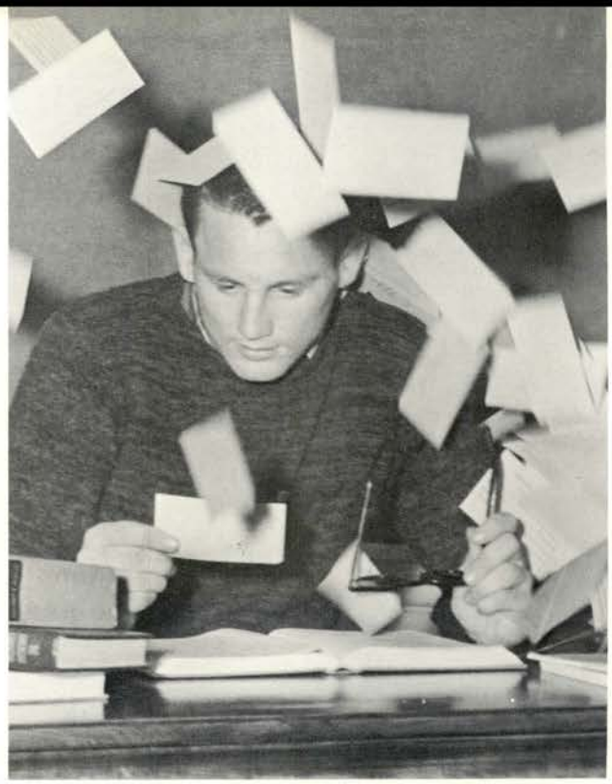
For one night's work, that's a lot of money.

The Angels serve in the capacity of hostess for the many receptions held at the ROTC building.

Thursday night drill practice up and down the football field.

Nominees for Corps Sweetheart were (from left) Alice Ball, Jeanne Dinkla, Rose Ann Miller and Pat Turner.

The New Zealand debate team and the representatives from SWT prepare for a friendly discussion period.



At mid-term snow falls in the form of pink slips.

Activity: Mental, Social . . . An Educational Process

There is more to a college education than the in-class training we receive. We learn to apply knowledge to daily living. Books, new associations, lectures, debates, discussion, competition are all important to and directly associated with the fifty-minute class period.

Father Twomey, speaker for Religious Emphasis Week, talks with faculty members.

Our freshmen . . . our faculty . . . dynamos of energy . . . boundless sense of humor.

Spring

Campus life . . . a whirl of movement . . . watching the campus turn from brown to green, catching spring fever, donning bermuda shorts, completing a bug collection, swimming at Sewell Park, hoping for no rain on Frontier Days, goofing off before final exams . . . stopping to notice . . . it's spring splendor.

Actives and help spend many hours decorating for the rush parties.

New Theta pledges smile their way through the final week of pledging.

Womens' Rush

The second semester began with the women's social clubs looking forward to their spring rush parties. Hopeful pledges smile and visit and spend many moments writing notes to active members. There is excitement and near frustration as invitations to the second party are sent. A period of silence, bids are picked up, and then the laughter and sigh of relief.

Theme of the Phi Delt party was an African scene complete with bongos!

The SUB was changed into a garden by the Thetas.

These Delta Sigs' seem to be going in a circle.

Frontier Days

These co-eds go for a tall Texan.

The ROTC and Angel Flight float placed third in the Frontier Days parade.

Two lovely entrants in the ugly man contest.

The Pi Chi's proved the basketball team to be "New Heros of the Old West" by becoming the Lone Star Conference Champs.

Alpha Psi Lambda entered this float in the parade.

For the second year rain tried to upset Frontier Days but the steering committee moved all activities into Evans Auditorium where the weather was fine and gaiety was the theme. The parade had to be postponed from Saturday until Monday but the bathing beauty contest and the Ray Price dance made Saturday a very eventful occasion.

The boys proved to be good pie eaters but . . .

. . . the girls seemed to be a little more enthusiastic.

Frontier Royalty were presented at the Ray Price dance.

Some danced and some listened to the sweet sounds of Ray Price's country and western music.

BOBBE CLAIRE OWEN
Miss Southwest Texas of 1959

Miss Southwest Texas

Bobbe Owen, business administration major from San Antonio and representative of the senior class, won the title of Miss Southwest Texas State in the annual Frontier Days beauty contest. Second place was captured by Nancy Broussard, sophomore elementary education major from Richmond. Johnice Thomas, physical education major from San Antonio, took third-place honors. The male-dominated audience seemed to approve heartily of the radiant smiles and the turn of well trimmed ankles that were exhibited during the selection of Miss SWT.

Finalists for Miss SWT were (from left) Vivian Cogburn, Margie Kraft, Johnice Thomas, Janie Meyer, Jeannie Rasor, Nancy Broussard, Bobbe Owen, Dareen Cantwell, Joy Wiede and Marilyn Carpenter.

The winning three were (from left) Johnice Thomas, third place, Bobbe Owen, first place, and Nancy Broussard, second place.

Pause on the Quad, just to talk.

After supper we try to figure out what this game called "42" is.

The Leisure Mood

Spare moments are a rare event to most students but these precious periods of time-out are certainly enjoyed. There are numerous ways in which this time is filled. Sleep is the most common way to occupy a few extra minutes but cards, long talks, a movie, or a walk are often as relaxing as an afternoon nap.

Enjoyable pastime of all male students.

That sure did turn out to be a big, ferocious butterfly.

"Vienna on Parade," presented by the Civic Music Association, brought entertainment to students and townspeople.

Perhaps it was the misty music of Ralph Marterie that welcomed warm days and cool nights.

The question is: How do we get out? Maybe they got a walk.

In The Spring . . .
Bewitched or Bewildered

Suddenly that time of year comes when it is more fun to be outside than in, and students take advantage of these days. We sit on dorm porches, on the lawn in front of the cafeteria, or on any space where two people can fit as easily as one.

A smile, a handclasp, a warm glow . . . Cupid at work!

(No caption necessary!)

About the library at this time of the year: let's get away from it all!

STUDENT SENATE

Greetings to the Faculty and Students:

The year 1959-1960 has been a year of advancement and improvement in the world at large and on our own campus. The changes of the past are evident; the problems of the future, inevitable. But the gratifying thought is that we as students of higher learning are preparing ourselves to better meet these problems.

As you turn the pages of this, the 1960 Pedagog, you will come upon items that will recall pleasant memories of the year that has passed. Each page holds some remembrance for you of the good times and the bad; the hard work and the fun.

Yes, this book is a treasure of memories. And, as Jean Paul Richter, German humorist, said, "Recollection is the only paradise from which we cannot be turned out."

Sincerely,

Joan Krenek

BAPTIST STUDENT UNION

Pictured below are Rev. and Mrs. Glen Norris. Rev. Norris is director of the BSU and head of the Baptist Bible Chair.

The Baptist Student Union functions to remind each student of his responsibility to Christ, his Church, and his denomination.

It does not desire to call attention to itself but to the phases of work it represents. Its greatest satisfaction comes in reporting the growing student membership of the churches, the Sunday schools, the training unions, Young Women's Auxiliaries, and the Brotherhoods.

The activities of the Baptist Student Union at Southwest Texas State College are many. Evening vesper services are held every night.

Dormitory Bible discussion groups are held. After-the-game fellowships are available to students, and many other parties are held during the year. Any student who is a member of a unit organization of the local church is considered a member of the Baptist Student Union.

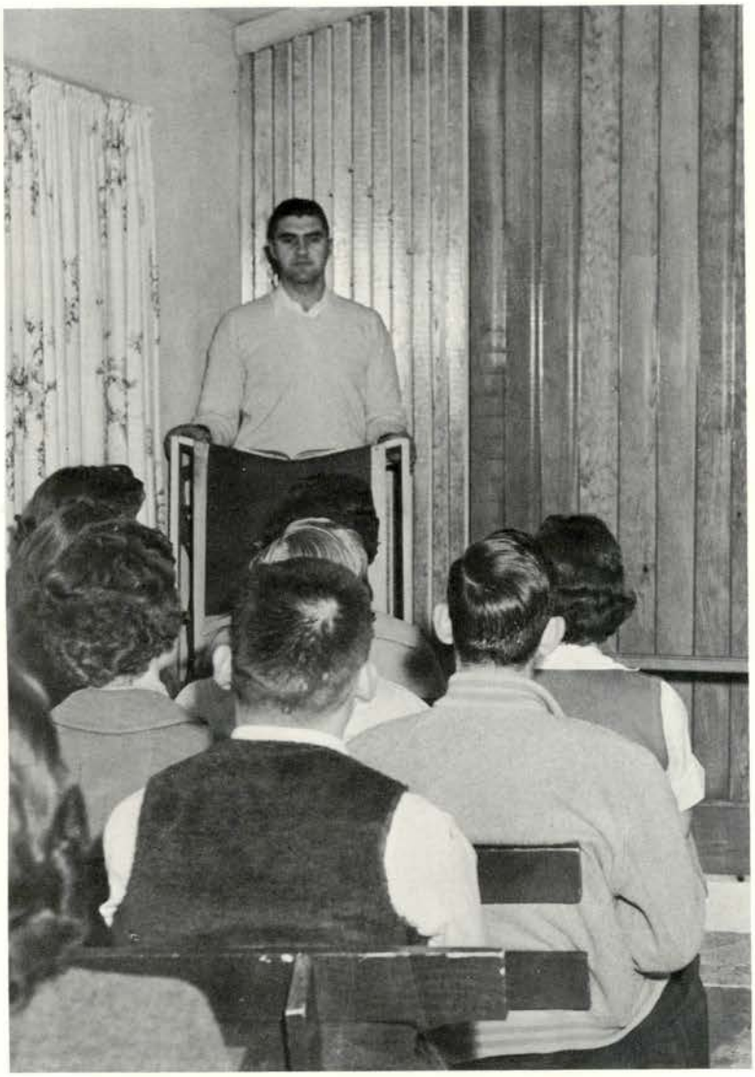
CAMPUS CHRISTIAN COMMUNITY



A Chapel service at Campus Christian Community

What is the Campus Christian Community? What is an ecumenical ministry to Southwest Texas State College?

This is the continuing question for members of the three sponsoring denominations.

Disciples, Methodist and Presbyterian churches support the Community as their ministry on campus. An ecumenical Board of Directors, chaired by Dr. Joe Wilson, has basic responsibility, entrusts it to the direction of the Rev. Maynard Rich, executive director, and the Rev. Jim Miller, director of program, and to a student council, elected from students active in the program.

The student council plans and directs worship, study, discussion and fellowship open to all students and faculty. Underlying the student program of vespers, retreats, supper-discussions, movies and study seminars this year have been these important questions:

What is the nature of Christian faith?

What is this world in which we find ourselves?

What are the forces at work in our time that Christians must be sensitive to?

What is the mission of the church now?

What are we, who carry the name "Christian," called to and how do we make our personal response?

Football Season Summary and Record

Often outmanned, never outfought.

Those four words best describe the 1959 football season of the Southwest Texas State Bobcats, in which they won 4 games, lost 6 and wound up in seventh place in the Lone Star Conference race with a 2-5 mark.

After losing 10 veterans from the 1958 squad, the young Bobcats lacked experience but made up for the deficit with plenty of spirit and desire. The squad included 11 freshmen, 13 sophomores, 13 juniors and 4 seniors. Throughout the season, the Bobcat starting eleven was liberally sprinkled with sophomores and even freshmen as injuries sidelined the small group of more experienced players.

The Cats surprised everyone but themselves when they won their first three games against TLC, Corpus Christi University and Sul Ross. They dropped the next three to McMurry, Stephen F. Austin and Lamar Tech before turning in their best performance of the year against Sam Houston State.

Before a capacity Homecoming crowd on a rain-soaked Evans Field, the Cats blasted the favored Sam Houston team 18-14. Following the high point came defeats at the hands of East Texas, Howard Payne and Texas A&I.

Willard Dearing, junior halfback and co-captain, was a unanimous choice for all-Lone Star Conference honors and also was named to a first-team berth on the All-Texas College squad picked by the Dallas Morning News.

Bobcat end Don Hardin received second-team all-LSC recognition, and honorable mention went to tackles John O. Baker and Lowe Irvine, guard Johnny Tombs, center Jerry Nortman, quarterback Bob Lewis, and halfback Herb Wuthrich.

The Cats were coached by R. W. Parker, and a pair of able assistants—Elmo Dahlberg and Vernon McDonald. Parker resigned the head coaching position in late October, effective June 1, 1960.

Jack Henry, 33-year-old football coach and athletic director at McAllen High School, was named to succeed Parker. Henry is a 1950 graduate of SWT, and a former star of football, basketball and baseball at the college.

Bobcats Edge Texas Lutheran, 14-12

SEGUIN, Sept. 19—A Bobcat defeat of the Texas Lutheran Bulldogs by a score of 14-12 here tonight brought the "Silver Bugle" home to Southwest Texas State for the third straight year.

A pass from quarterback Bob Lewis to halfback Herb Wuthrich in the fading seconds of the game gave the Cats the victory. The play covered 86 yards.

The Bulldogs, who outplayed SWT in every department except scoring, drew first blood. TLC rolled 71 yards in 16 plays to score its first touchdown, with quarterback Milford Krase passing to end Tony Berry for the final 12 yards.

Late in the second quarter the Bobcats started a drive from their own 30, and a pass from quarterback Bob Lewis to end Don Hardin tied the game. David Baker kicked the extra point to give the Cats a 7-6 advantage at halftime. In the third quarter Texas Lutheran recovered a Bobcat fumble and had only 30 yards to go for its second score and a 12-7 lead.

With two minutes left in the game, SWT held and took over on its own 24. Two plays later Lewis hit Wuthrich with a perfect strike at the 30 and the fleet little halfback covered the remaining 70 yards like a comet. Baker again converted.

The TD pass set a new SWT record for longest pass-run, eclipsing the old mark of 70 yards set by Alvin Woods to Bobby Gibbens in 1955.

Dearing, Lewis Star in UCC Victory

EVANS FIELD, Sept. 26—The Bobcats combined the running of halfback Willard Dearing and the passing of quarterback Bob Lewis to trounce the University of Corpus Christi 36-7 in the first home game of the 1959 season.

Dearing scored the three touchdowns on runs of 82, 29 and 12 yards and made a two-point conversion to account for 20 points. Lewis completed four of nine passes for 94 yards and one touchdown.

Halfback Herb Wuthrich caugh the Lewis pass for the third Bobcat score. End Frank Neffendorf kicked two extra points and fullback Alvin Ringo ran over a two-point conversion to complete the Bobcat scoring.

The Tarpon touchdown came when end Douglas Davis intercepted a Lewis pass and ran 55 yards to score with 3:46 remaining in the game. Quarterback Joe House converted to end the scoring at 36-7.

Sparking the Cat defense were guards Bobby Cornelius, Johnny Tombs, and George Carroll, centers Jerry Nortman and Rodney Hayden, and end Don Hardin. Neffendorf, tackle Ace Fuller and quarterback Tommy Mangum recovered Tarpon fumbles for the Bobcats.

Dearing was the game's top ground gainer, with 158 yards on 10 carries. Fullback Don Wehmeyer was the second leading rusher for Southwest Texas. Through their first two games, Lewis and Wuthrich were ranked among the top 15 college passers and receivers in the nation.

Bobcats Blast Sul Ross at Alpine

ALPINE, Oct. 3—The Bobcats journeyed to Alpine to tackle the Sul Ross Lobos on a two-game winning streak and returned to San Marcos with another notch on their unbeaten record.

A combination of Bob Lewis, Ken Malatek, Willard Dearing and Tommy Roberts gave the Cats a 13-8 victory over Sul Ross and boosted them into a tie with Howard Payne for the Lone Star Conference lead.

Lewis tossed a 10-yard pass to Malatek for the first SWT touchdown with six minutes remaining in the third quarter. Midway in the fourth quarter he pegged a 12-yarder to Dearing for the second touchdown. Roberts kicked the extra point after the first TD.

With time running out, the Lobos went into a wide spread and passed their way from their own 25 to the Bobcat 30. From that point they scored on a pass from quarterback Young to end Pope. Southwest Texas rolled down to the Lobo 1-yard line and the brink of another score when the final gun sounded.

Lewis completed 13 of 19 passes for 159 yards and two touchdowns. Dearing was the top rusher for SWT, getting 145 yards on 19 carries. Leading pass receiver was end Don Hardin, who caught 7 for 97 yards.

Indians Hang First Loss on SWT

EVANS FIELD, Oct. 10 – The McMurry Indians, sixth-ranked NAIA small-college football team in the nation, came from behind in the final 16 minutes to down Southwest Texas State's fired-up Bobcats 20-7 and halt the Cats' three-game win streak.

The Indians scored first on their first play from scrimmage, with halfback Gerald Combs scampering 40 yards to the double stripe. The extra point kick failed.

Southwest Texas, refusing to throw in the towel, drove 65 yards to tie the score and go ahead 7-6 with 4:48 remaining in the first quarter. Halfback Ken Malatek slipped through left guard for four yards and the touchdown and Tommy Roberts kicked the extra point.

The Bobcats slugged it out on even terms with the more experienced Indians until freshman fullback Joe Baxter scored McMurry's winning touchdown with 30 seconds left in the third quarter to pull the visitors ahead 12-7.

Baxter also added the insurance touchdown for the Indians with 5:42 left in the game, blasting through left tackle for 23 yards to climax a 33 yard drive set up by a pass interception.

Bobcat freshman fullback Charlie Davis, in his first college starting role, led the SWT running attack with 60 yards on 11 carries.

Injury-Riddled Cats Lose to SFA

NACOGDOCHES, Oct. 17—In spite of a 92-yard touchdown run by SWT halfback Willard Dearing on the opening kickoff, the Stephen F. Austin Lumberjacks chopped out a 14-6 victory over the Bobcats.

After Dearing's long-range blast the extra-point kick misfired and SWT led 6-0 with less than a minute elapsed. However, quarterback Bobby Lewis sustained a chest injury while blocking on the kickoff TD play, and was sidelined for the remainder of the game.

From that point on it was SFA's ball game, with the Lumberjacks tying it up in the second quarter on a two-yard plunge by halfback Ken Davis.

Stephen F. Austin scored the winning touchdown later in the second period on a nine-yard pass from quarterback Harold Stephens to end Tony Ellis, climaxing a 62-yard drive. John Marlar ran for the extra points to make it 14-6, and that was the end of the scoring.

The Bobcats, playing without the service of five starters in the second half, operated on even terms with the Lumberjacks but couldn't muster a scoring drive.

SWT players injured in the game were halfback Charlie Davis, center Denson Ermis, guard Johnny Tombs, end Bill Hollas, tackle Lowe Irvine, tackle John Baker, and halfback Dearing.

The loss was the second straight for Southwest Texas against three wins, and left the Cats with a 1-1 record in conference play.

Lamar Tech Registers 28-6 Win

EVANS FIELD, Oct. 24—Lamar Tech, the nation's No. 1-ranked small-college football team, used the explosive running of Shepard Touchett and Ronnie Fontenot to smash Southwest Texas 28-6.

One bright spot for Bobcat fans came on the last play of the first half when freshman halfback Robby Robinett intercepted a Lamar Tech pass two yards deep in his own end zone and raced 102 yards to score.

It was a new record for a pass interception and runback for a touchdown, the old record being 80 yards set in 1948 against Sam Houston by Bobcat Billy Gloor.

Touchett plunged for the first Cardinal score, climaxing a 26-yard drive which started after recovery of a Bobcat fumble. Fontenot added his first of four extra point kicks.

The second tally, set up by a Bobcat fumble on the SWT 11, was gained on a short plunge by halfback Charles Dinhoble. The Cardinals led 14-6 at halftime.

Lamar Tech scored again in the third period on a 12-yard end run by Fontenot, and added their final touchdown in the fourth quarter on a 15-yard blast by Touchett.

Southwest Texas played without the services of Bob Lewis, Johnny Tombs, Charlie Davis and Bill Hollas. Halfback Willard Dearing moved into the quarterback role for the injured Lewis.

Bobcats Win 18-14 at Homecoming

EVANS FIELD, Oct. 31—Southwest Texas battled back from a 14-0 first quarter deficit with the help of a couple of long touchdown runs to bounce favored Sam Houston, 18-14, in a rainy Homecoming game here this afternoon.

Halfback Al Thompson rambled 53 yards for one Sam Houston tally and fullback Jim Saegert rammed over from the one for another before the Bobcats could get their own offensive underway.

SWT quarterback Bob Lewis capped a 76-yard touchdown march early in the second quarter, going over from the six.

Just minutes later Lewis scored again, this time taking a lateral from halfback Tommy Roberts on a punt return and racing 75 yards behind good blocking for the score.

Trailing 14-12 at intermission, Southwest Texas stormed back to dominate play in the final half. The winning touchdown came on a 69-yard ramble by halfback Willard Dearing.

Johnny Tombs, Jerry Nortman, George Carroll, John Baker and Lowe Irvine led an inspired defense that helped corral the Bearkats through the final three quarters.

The victory left the Bobcats with a 4-3 season record and a 2-2 mark in Lone Star Conference action.

Lewis skirts end from the six-yard line to cap a 76-yard touchdown drive against Sam Houston Bearkats at Homecoming.

ET Overcomes Bobcat Lead to Win

COMMERCE, Nov. 7—Heavily favored East Texas State almost had its Homecoming ruined by the raging SWT Bobcats this afternoon, but the Lions used a three-touchdown last half surge to gain a 28-15 football victory.

Sophomore quarterback Bob Lewis scored all but one of the Southwest Texas points as he led the Bobcats to a 15-8 halftime lead.

East Texas scored first in the second period, with fullback Joe Dever diving over from the two-yard line. Halfback George Boynton ran over for a two-point conversion to give ET an 8-0 lead.

SWT drove 62 yards in 12 plays following the kickoff to knot the score. Lewis ran over the TD from the two and then swept end for a successful conversion.

On the first play after the kickoff Lewis intercepted a Sam McCord pass and ran it back 39 yards for a touchdown. Halfback Tommy Roberts kicked the conversion to give SWT its 15-8 halftime lead.

The Lions returned to dominate the second half, scoring eight points in the third quarter and 12 in the fourth. Halfback Wallace Miller got the third-quarter ET tally and scored another touchdown midway in the fourth period. McCord picked off a Lewis pass in the fading seconds and raced it 30 yards for the final Lion score.

Jackets Down Cats in Mud Battle

EVANS FIELD, Nov. 14 — Halfback Dale Fisher of Howard Payne slanted four yards over left guard with 11 minutes remaining in the fourth quarter for the lone touchdown as the Yellow Jackets edged host Southwest Texas 6-0 on a muddy field in 30-degree weather.

About 400 "Dad's Day" fans shivered in the stands as the two teams struggled through three quarters in a scoreless deadlock. Southwest Texas made one scoring threat in the second quarter when halfback Tommy Roberts returned a HPC punt to the visitors' 33-yard line.

Fullback Alvin Ringo blasted to the 25 and Roberts picked up a first down on the 20. Ringo carried three times for a first down at the 6. Three more plays netted only a yard, and a pass interception on fourth down killed the threat.

Neither team was able to gain in the third quarter, but the Jackets used the final period to amass a large part of their 228 yards rushing, as well as to score the winning TD.

With halfback Willard Dearing out of action, the Bobcats were led by Ringo's 29 yards on 12 carries. Lewis completed 2 of 9 passes for 30 yards.

Bobcats Lose Finale to Texas A&I

KINGSVILLE, Nov. 21—The Texas A&I College Javelinas rolled over Southwest Texas State's Bobcats 20-0 here tonight to round out the finest season in Javelina football history and nail down a tie with East Texas for the Lone Star Conference title.

It was the final game in the college careers of three Bobcats—tackle John O. Baker and centers Denson Ermis and Jerry Nortman. The loss left SWT with a season record of four wins and six defeats and seventh place in the conference with a 2-5 mark.

Texas A&I scored its first touchdown in the first quarter, marching 31 yards in nine plays after recovering a SWT fumble. Fullback Ken Kachtik crashed over left guard from the one-yard line and Gerald Lambert kicked the point.

The Bobcats made their first of two scoring threats in the second quarter after grabbing a Javelina fumble at the A&I 26. They moved to the 15, but a pass interception quelled the threat.

With 10 minutes left in the game, Kachtik scored No. 2 for A&I with a two-yard plunge, and Lambert converted. Javelina halfback Buck Pressley turned in the best run of the game with only four minutes remaining as he swept around end and scooted 56 yards to the double stripe. A run for the extra points was thrown back.

Willard Dearing led the Bobcats' running attack with 51 yards on 10 carries.

Fullback Alvin Ringo gets into Homecoming activities as he breaks away for a sizeable gain against Sam Houston Bearkats.

1959-60 Season Record

Southwest Texas State's Bobcat cagers compiled the second best regular season record in the school's history in 1959-60.

The Bobcats lost three of their first six games and then swept through 19 of their last 20 regular season foes without a defeat. During this streak, SWT won its own four-team Christmas Tournament, the eight-team AAU Cotton Bowl Tournament in Dallas and the Lone Star Conference championship.

In post-season activity, Coach Milton Jower's cagers defeated Texas Wesleyan College in the District IV playoffs for a berth in the NAIA Tournament of Champions in Kansas City March 7-12.

(See page 273-275 for summary of Bobcats' performance in NAIA playoffs.)

It was the second straight LSC championship and NAIA appearance for Southwest Texas, which finished third in the 1959 national tournament.

As is customary for recent Jowers-coached SWT teams, the Bobcats started the 1959-60 season slow, tripping Brooke Medical, 86-68, for their 40th consecutive home court victory and then dropping two of three games on a Louisiana road trip.

Louisiana Tech, led by Jackie Moreland, first turned the trick, 56-42. The Cats then split one-pointers, topping McNeese, 56-55, and losing to Southwestern Louisiana, 69-68.

After returning home to trounce Corpus Christi, 81-48, the Bobcats lost their third game of the regular season, 87-77, to Brooke Medical in San Antonio.

Southwest Texas, with Little All-American Charlie Sharp, Rudy Davalos, Boonie Wilkening, Howard Lockhart, Bruce Gregg and Earl Lankford taking turns as leading performers, rolled from there to the two tournament titles, the conference title and the NAIA zone title while suffering only one loss—a home-court heartbreaker to Lamar Tech in the next-to-last game.

The Bobcats clinched the LSC crown with a 73-67 triumph over Sul Ross in Alpine Feb. 22, with two games still left in league play. They finished the regular season with 24 wins and only 4 defeats.

Top Bobcats Win Recognition

A large share of individual recognition has come to the Southwest Texas State Bobcats during the past two seasons in the form of national, as well as conference, honors.

Charles Sharp, senior forward, was named to the first team of the Associated Press Little All-America and the NAIA All-America in 1958-59, and to both mythical quintets again In 1959-60. Sharp won the "Most Valuable Player" award in the 1960 NAIA championship tournament.

Rudy Davalos, the ball-stealing co-captain, joined Sharp on the first-team of the NAIA's 10-man all-tournament selections. Davalos was awarded honorable-mention in the Associated Press Little-All America team.

Bonnie Wilkening, only four-year letterman on the squad, joined Sharp and Davalos as all-Lone Star Conference first-team selections. All three of these Bobcats were named to the all-tournament teams of both the SWT Christmas invitational and the Southwestern AAU college invitational at Dallas, both of which were won by Southwest Texas.

Howard Lockhart, senior, three-letter forward, was often the spark that set the Bobcat offense on fire. He joined Sharp, Davalos and Wilkening on the select list of Bobcats who have scored more than 30 points in a game and more than 300 in a season.

Rounding out the list of outstanding Bobcats was Earl Lankford, three-year letterman center who returned to the squad after a two-year layoff and turned in a season of fine play for SWT.

Cat Rally Repulses LT

BEAUMONT, Feb. 8—Lamar Tech battled the Bobcats down to the wire, but a rally by the Cats in the closing minutes enabled them to edge the Cardinals 55-53.

Charles Sharp paced the SWT attack, aided by Bruce Gregg. Sharp scored 20 points, while Gregg pulled in 11 rebounds, both highs for the Bobcats.

Charles Anderson was top scorer for Lamar Tech with 17 points, followed closely by Bob Shepherd with 16.

The win left the Bobcats 17-3 for the season and 8-0 for LSC play.

Home String Cut at 48

BOBCAT GYM, Feb. 27—A fired-up Lamar Tech quintet used the sharpshooting of Bob Shepherd to upset the favored Bobcats tonight, 66-63.

It was the first home-court setback for the Bobcats in 49 games and their first loss in New Men's Gym since it was built.

Shepherd, an obscure fellow in the Cardinal attack most of the season, paced the Cards with 23 points.

Charles Sharp pumped in 18 points and Boonie Wilkening 15 for the Cats.

It was the first conference loss for SWT compared with 12 wins.

BOBCAT GYM, Feb. 29—The Bobcats closed out their 1960 regular season schedule tonight with a thrilling 86-66 win over Stephen F. Austin.

What was a fairly even game turned into a runaway in the final ten minutes. Paced by Earl Lankford, Charles Sharp and Howard Lockhart, the Cats opened up a 20-point bulge, one which they never lost.

Sharp led all scorers with 27 points. Lankford accounted for 18.

Wayne Mahone led the Lumberjacks with 22 points.

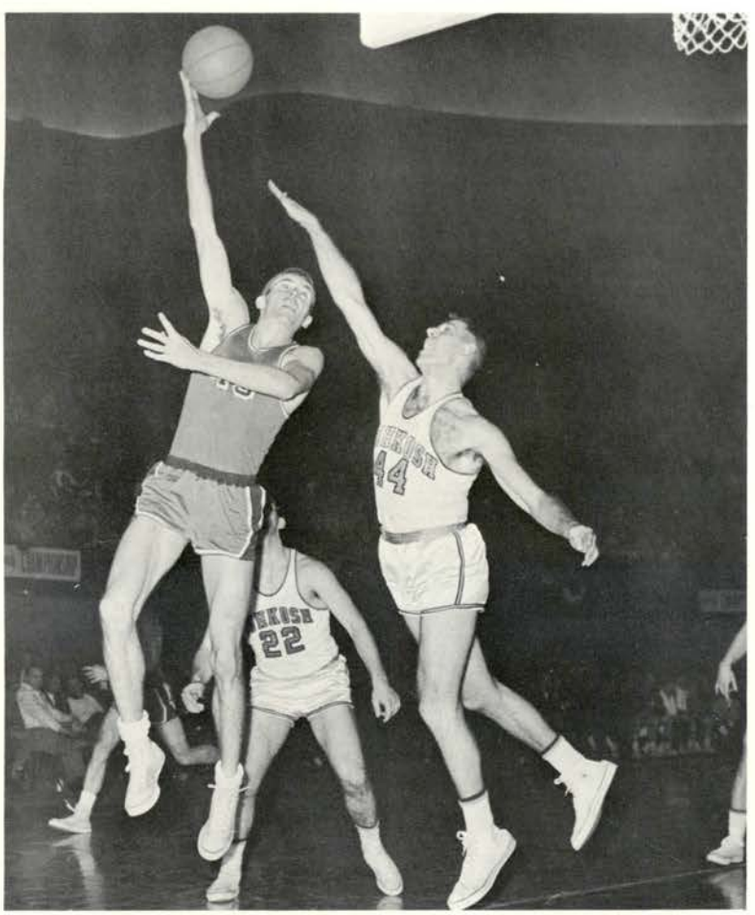
BOBCATS WIN NATIONAL CHAMPIONSHIP

March 5—Bobcat traveling party leaves for K-C.



Gregg fires away against Oshkosh.

SWT's Hookin' Charlie Sharp was the leading scorer in the NAIA tournament with 150 points in 5 games. Boonie Wilkening was second with 87, and Rudy Davalos was fourth with 68. Sharp set a new career scoring record at SWT—1,884 points in 90 varsity games.

SWT 93, OSHKOSH 69

KANSAS CITY, March 7—Charlie Sharp, a man with a mission, drove Oshkosh State defenders mad tonight as he led Southwest Texas to a 93-69 victory over the Wisconsin team with a 44-point barrage.

The victory came in the opening round of the six-day NAIA Tournament of Champions.

Sharp scored the first 10 points of the game for the Bobcats and, despite his performance, Oshkosh's Titans made it nip and tuck throughout most of the first half, leading on six different occasions.

The last Titan lead was 35-34, and from there the Bobcats, with Rudy Davalos and Boonie Wilkening joining Sharp in the scoring attack, steadily pulled away. The halftime score was 47-37.

JOWERS, 3 CATS HONORED

That's the story, in five chapters, of how Southwest Texas State College won its first national championship in the golden basketball history of the college. Here's the postscript.

Milton Jowers was named NAIA Coach of the Year, and was named coach of the NAIA team entry in the olympic basketball trials March 31-April 1 and 2 in Denver, Colo.

Little All-American Charles Sharp received the "Most Valuable Player" award at the tournament, and hustling Rudy Davalos won a spot, along with Sharp, on the first-team All-Tournament selections. Boonie Wilkening was elected to the second team of the 10-man mythical squad.

Other first-team berths went to Chuck Davis, Westminster; and Rossie Johnson and Gene Werts, Tennessee A&I. With Wilkening on the second five were Porter Merriweather, A&I; Jim McDonald, West Virginia Wesleyan; Rex Trippitt, Grambling; and Charles Cowan, New Mexico Highlands.

It was a great year in basketball for the Bobcats—the greatest ever!

TRACK & FIELD

BOBCAT TRACK & FIELD SQUAD—Members of the Bobcat Track and Field Squad for 1960 were (top row, from left) Coach Oscar Strahan, Jim Boyd, Frank Norwood, Jim Owen, Bo Mangum, Manager Willie Durham. Middle row: Ignacio Duran, Jim Collins, Fred Burg, Lonnie Curtis, Gerald Cumby and Henry Welge. Bottom row: Hillyer Ward, Ed Longcope, Gene Wilkins, Lloyd Little, Robby Robinett, Eddie Wilson and Tom Carey.

Oscar W. Strahan
Track Coach

Gene Wilkens

Summary For '59

Lloyd Little successfully defended his high jump championship and freshman Eddie Wilson won the pole vault to lead the Bobcat cindermen to a fifth-place finish in the 1959 Lone Star Conference Track Meet in Kingsville.

Little, who also placed fifth in the high hurdles and javelin, won the high jump with a 6-6 leap, while Wilson's 13-foot vault was good enough to edge out teammate Gene Wilkins.

Other SWT placers were Richard Herms, third in the high hurdles, and Herb Wuthrich, fourth in the broad jump. The Bobcat 440-yard and mile relay teams each placed fourth.

East Texas, as expected, waltzed to the team championship behind the efforts of freshman sprinter Sidney Garton, who won the 100 and 220-yard dashes and anchored the winning 440-yard relay team to a record 40.7 timing.

East Texas compiled 61 points, followed by Lamar Tech with 48, Howard Payne with 45½, Texas A&I with 41, SWT with 25, Sam Houston with 16½, Stephen F. Austin with 3 and Sul Ross with 0.

Outlook For '60

The 1960 track season at Southwest Texas State promised to be much like the past several, through February practice.

Coach Oscar W. Shrahan started the season with no fewer than four top pole vault threats and had magnificent Lloyd Little as a consistent threat in the high jump, low hurdles and javelin.

The pole vaulters, Eddie Wilson, Robby Robinett, Gene Wilkins and Gerald Cumby, are all capable of clearing 13 feet or better and should give SWT a monopoly of the event.

Little has won the Lone Star Conference high jump championship for the past three seasons and has posted a 6-7 5/8.

Other team members and their events include Jim Boyd, dashes; Fred Burg, broad jump; Tom Carey, 440; Lonnie Curtis, mile; Jim Collins, high jump; Ignacio Duran, mile; Ed Longcope, 440; Bo Mangum, mile; Frank Norwood, 440; Jim Owens, weights; Henry Welge, 880.

Bobcat Golf Prospects Bright For '60

Dr. Maurice Erickson
Golf Coach

As Coach Maurice Erickson's golf team got in early practice during February, prospects for the 1960 season were bright.

Though only three linksters return off last year's six-man squad, six newcomers with promise have joined the team and hope to improve on the 1959 5-2-1 match showing.

One of the newcomers, freshman A. W. Musgrave, had the top qualifying round in preseason practice, while another, Schreiner transfer Bill Walton, turned in the second best performance. Squadman Lowe Irvine was third and the lone returning letterman, Fred Ender, was fourth.

The rest of the squad included squadman Richard Ehlert, Victoria Junior College transfer Charles Popacek, Victoria Junior College transfer Bunky Howell, junior Jack Lingo and George Turner.

First activity for the linksters was scheduled March 3-5 at the Border Olympics in Laredo. Other golf tourneys included the Stephen F. Austin College Invitational at Nacogdoches March 31-April 2 and the Lone Star Conference meet at Nacogdoches May 13-14.

Dual matches were to be scheduled against Southwestern, Texas A&I, Texas Lutheran and Victoria Junior College on a home and home basis.

1959 GOLF RESULTS

The Southwest Texas golf team compiled a 5-2-1 record during the 1959 season, won a three-way match with Texas A&I and Texas Lutheran and finished fifth in the Lone Star Conference meet.

After defeating Texas Lutheran, 4-2, to open the season, the Bobcat linksters dropped matches to A&I, 7-0, and Southwestern University, 6-0.

SWT rebounded to defeat San Antonio College, 4-2, and Southwestern, 4-2, 4-0, and 5½-½, while tying TLC, 3-3.

Lowe Irvine, tying for 13th, topped all Bobcats in the LSC meet by posting a 157. Earl Klattenhoff had 160, Richard Ehlert 162 and Fred Ender 169.

Stephen F. Austin upset Lamar Tech by one shot, 596-597, in the team totals.

Frank Gensberg
Coach

Outlook For '60

Tennis prospects for the 1960 season were the brightest in several years at Southwest Texas as the net season started.

The 10-man Bobcat team, under Coach Frank Gensberg, included all but one reserve from the 1959 team that posted a 5-4-1 record. Lettermen back included Bobby Henson, Bobby Cornelius, Alex Burgum, Benny Azopardi and Jerry Cox.

Other prospects were Joe Barrows, Frank Balke, Edgar Bernal, Tommy Luce and Jim Stech.

Perennial national small-college champion Lamar Tech still offered a block to SWT and other Lone Star Conference teams in the battle for the league crown.

Summary For '59

A revamped Southwest Texas State tennis squad turned in a 5-4-1 record during the 1959 season as newcomers sparked the team effort.

Freshmen Bobby Henson and Bobby Cornelius, squadmen Alex Burgum and Jerry Cox and newcomer Benny Azopardi turned in performances that led to victories over St. Edward's, St. Mary's (twice), Texas Lutheran and Southwestern.

The Bobcat netters lost to Southwestern (three times) and Texas A&I. The tie was with TLC.
